VERY IMPORTANT: This Notice applies to any reacquired vehicle (as defined below) that is <u>reacquired on or after January 1, 2009</u>, either: (A) under Georgia's Lemon Law; **OR** (B) under a similar statute of another state and transferred into Georgia.

The Notice is to be completed <u>legibly and accurately</u> and all copies must be legible. Copies of the Notice regarding the respective reacquisition, transfer and sale or lease of a reacquired vehicle are to be sent within the statutorily-required time period indicated below to:

Governor's Office of Consumer Protection Lemon Law Division 2 Martin Luther King, Jr. Drive SE, Suite 356 Atlanta, GA 30334-9077

Part I is to be <u>completely</u> filled out by the manufacturer or its representative following acceptance of a reacquired vehicle.

Check <u>both</u> the correct category space and box and, where applicable, fill in the blank to indicate the circumstances under which the vehicle was reacquired. **Part I-A** applies to reacquired vehicles covered under Georgia's Lemon Law. **Part I-B** applies to vehicles reacquired under a similar statute of another state that are transferred into Georgia.

List the nonconformity or nonconformities resulting in the repurchase or replacement of the vehicle <u>as alleged by the consumer or as found by an arbitrator or judge</u>. Do <u>not</u> write on the Notice that a nonconformity has been repaired or corrected.

When a vehicle covered under Georgia's Lemon Law is repurchased or replaced, the manufacturer or its representative is to sign and date Part I of the Notice and send a copy to the Governor's Office of Consumer Protection within **30 days from the date of reacquisition of the vehicle**.

Part II is to be completed, signed and dated by the manufacturer or its representative upon transfer of a reacquired vehicle. Indicate the name and address of the transferee and have the transferee sign and date the Notice. The manufacturer or its representative is to give the original Notice to the transferee. If the vehicle was transferred to be sold for scrap, check the box.

If the reacquired vehicle is covered under Georgia's Lemon Law, the manufacturer or its representative has **30 days from the date of transfer of the vehicle** to send a copy of the Notice to the Governor's Office of Consumer Protection. If the transfer occurs within 30 days of the date of reacquisition, Parts I and II can be sent together on the same copy at that time.

If the vehicle was reacquired under a similar statute of another state and transferred into Georgia, Parts I and II are to be completed together and the manufacturer or its representative is to send a copy of the Notice to the Governor's Office of Consumer Protection within 30 days from the date of transfer of the vehicle.

The sale or lease of the vehicle activates the mandatory one year/12,000 mile (whichever occurs first) term within which the manufacturer warrants to correct the nonconformity or nonconformities indicated on the Notice.

The selling or leasing entity has **30 days from the sale or lease of the vehicle** to send a copy of the Notice to the Governor's Office of Consumer Protection. The manufacturer has **90 days from the sale or lease of the vehicle** to notify the Governor's Office of Consumer Protection that the statutory warranty has been activated. The manufacturer shall use the Governor's Office of Consumer Protection's Reacquired Vehicle Warranty Activation Notice for this purpose.
